“Without a doubt this is a moment of growth for the brand's portfolio, and in this sense we promote a product with an identity and tradition that make it unique. This is how we intend to reach more audiences who are looking for that unique flavor in the cradle of whisky in Cuba. For santa clara whisky, the work with Diageo is aimed at making visible and making known to the world the peculiarities and quality of Cuban whisky. We are very satisfied with the path we have created”
